CLOVIS HIGH 16 PORTALES HIGH 0

Last Friday, October 3rd, Clovis High School played the opening game of the season on the home field with Portales. As this is the first time in the past few years that the two schools have competed in any way, it is hoped that the fine spirit shown last Friday will be continued and that this is resumption of a good wholesome rivalry which may follow.

For the home team, this practically marks the initiation into the realm of football. The two old members, Crow and Montgomery, played up to their usual form behind the line and starred in every department of the game, Montgomery going over the line for two touchdowns and Crow kicking goal. The final score was Clovis 16, Portales 0. Next Friday, the 10th, the team plays Roswell High at Roswell. The game in detail follows:

Montgomery gave the pigskin the first boot of the season and landed it on Portales' 30 yard line. Portales recovered for 20 yards and the ball was put in play for the first scrimmage in the center of the field giving equal territory to both contestants for the initial test of the oncoming battle.

Portales started off with a pass which became incomplete, attempted several others and failed. She lost the ball on downs to Clovis, who readily set about to send Eastham through the line for a good hard stonewall plunge. The first quarter ended with the scrimmage line near the middle of the field and with both teams still wondering.

The second quarter was better played. Longer gains were made. The early part of the quarter found Clovis near the goal line and ready for a plunge over the line, but owing to a fumble Clovis lost the ball to Portales, who romped down the field with a nice forward pass and threatened to cross the white line. Clovis tightened on defense and held them, intercepted a pass, and started the turning of the tide by sending Captain Crow around the end for a long gain, and finished the journey with a touchdown by Montgomery. Crow successfully kicked goal and the rooters clann chimed the score to the tune of 7-0 for Clovis.

The second half proved to be a

better display of girdiron prowess. Both teams seemed to have found their bearings and to have worn off that bugbear of nerves incident to first attempts. Clovis kicked and caught Portales on the 30 yard line. Portales made several attempts at passing but did not gain and resorted on fourth down to punting. Clovis recovered and worked the ball down the field without loss on downs and finally sent Montgomery through a series of fine holes and rough passes for the second touchdown. Crow kicked the goal while the rooters cheered their approval.

In the last quarter, Portales found a score of 14-0 against themselves and attempted a pass which was successful for 25 yards and threatened a crossing of the goal line when the runner was finally downed by the speedy backs of Clovis. Portales then lost on downs and Clovis succeeded in working the ball within 5 yards of goal when a fumble occurred which lost the ball to Portales over their goal line for a safety. The whistle blew when the scrimmage from safety was well under way and Clovis walked off the field elated over their first victory.

Both teams and spectators exhibited a fine quality of sportsmanship and the game was cleanly played.

MARRIED AT ST. VRAIN

A beautiful home wedding took place at the home of W. A. Brownell, of St. Vrain, Thursday, September 25th, at 8 o'clock p. m., when Miss Anna C. Brownell was united in marriage to Mr. Fred L. Ohr, of Havenor in the presence of a small company of friends and relatives.

Rev. B. H. Oxford of Melrose performed the ring ceremony, after which the dining hall was opened and the happy couple and guests were served with the most delicious refreshments.

The bride is one of Curry County's most charming young ladies, and the groom a farmer of sterling worth and many qualities. We speak for this

Her love, her hopes, shattered and buried in England. The verdict would matter little after all. Then came the witness for the defense! Surprise—suspense—scene

ANOTHER NO-ACCIDENT DRIVE

That the results of the "no-accident" drives on the federal controlled railroads are of a lasting effect is shown by statistics just issued by Isaiah Hale, superintendent of safety of the Santa Fe, which show the results following the one week drive in June.

According to figures compiled for the two months following the "no-accident" week, as compared with the same months—July and August—last year 16 persons were killed in 1918, as against six in 1919, and 2,246 were injured as against 1,857.

This is a reduction of 62½ percent as compared with 82 percent reduction during the drive week.

With this excellent record before them railway employees are enthusiastic over the coming drive of two weeks, from October 18th to 31st, inclusive, and are of the belief that even a better record will be made. This they contend, will be possible, if the public co-operate with them in their efforts, for, a large percent of the accidents are due to carelessness on the part of the public. Statistics show that a majority of the wholly avoidable accidents, which result in thousands of deaths each year, are due solely to the public "taking a chance" or disregarding the commonest precautions.

OBITUARY

In memory of John J. King, who passed away Sept. 27, 1919. The deceased was born in North Carolina, June 24, 1850, and died at the age of 69 years. He came to Missouri when but a small boy. There he resided until 1889. He was married to Miss Minerva Pease, June 7th, 1877. To them were born six children who are: Mrs. C. D. Craddock, Lockney, Texas; Mrs. W. B. Valentine, Quanah, Texas; Mrs. R. L. Hendrickson, Austin, Texas; George King, Trinidad, Colorado; and Miss Gladys King, Clovis.

Mr. King was a faithful husband

and father, and loved by all who knew him. He had a wide circle of friends outside of his family connection, who mourn his loss. We mourn over the loss of this dear loved one. While it is our loss it's heaven's gain.
